Screen Reader : Supported

Print length : 354 pages

Critical infrastructure is essential to the functioning of modern society. It includes systems that provide us with water, electricity, transportation, and communications. Protecting this infrastructure from physical and cyber attacks is a top priority for governments and businesses alike.

ICCIP 2024 will provide a forum for researchers, practitioners, and policymakers to share their latest findings and insights on critical infrastructure protection. The conference will feature keynote speeches, technical presentations, panel discussions, and workshops on a wide range of topics, including:

- Cybersecurity
- Resilience
- Risk management
- Disaster recovery

## **Call for Papers**

Researchers are invited to submit papers for presentation at ICCIP 2024. Papers should be original and unpublished, and should not exceed 10 pages in length. All submissions will be peer-reviewed.

The deadline for paper submission is **October 15, 2023**. Papers should be submitted electronically via the conference website.

## **Important Dates**

**October 15, 2023:** Paper submission deadline \* **December 15, 2023:** Notification of acceptance \* **February 15, 2024:** Camera-ready paper submission deadline \* **March 11-14, 2024:** Conference dates

## **Registration**

Registration for ICCIP 2024 will open in October 2023. The conference registration fee will include access to all conference sessions, materials,

and social events.

## **Sponsorship**

Sponsorship opportunities are available for ICCIP 2024. Sponsors will receive a range of benefits, including:

- Logo placement on the conference website and materials
- Speaking opportunities
- Exhibition space
- Networking opportunities

To learn more about sponsorship opportunities, please contact the conference secretariat.
