Jo Watson is a big girl. She's always been big, and she's always been teased for it. But Jo is more than just her size. She's a kind and compassionate young woman with a heart of gold. She's also a talented writer, and she dreams of one day becoming a successful author.

But Jo's dreams are put on hold when her father dies suddenly. Jo is devastated by her father's death, and she turns to food for comfort. She gains even more weight, and she becomes even more isolated from the world.

One day, Jo meets a man named Will. Will is a kind and gentle man who sees past Jo's weight. He helps Jo to see herself in a new light, and he encourages her to pursue her dreams. With Will's support, Jo begins to lose weight and to rebuild her life.

But Jo's journey is not without its challenges. She still faces discrimination and prejudice from people who don't understand her. She also has to deal with the ghosts of her past, including the memories of her abusive father. But through it all, Jo never gives up on her dreams. She perseveres, and she eventually achieves her goals.

Big Boned Jo Watson is a story of hope and triumph. It is a story that will inspire readers to embrace their own bodies and to pursue their dreams, no matter what obstacles they may face.

Praise for Big Boned Jo Watson

"Big Boned Jo Watson is a powerful and moving novel that will stay with readers long after they finish it. Jo is a complex and relatable character, and her journey is one that will resonate with anyone who has ever struggled with their weight or their identity." - **New York Times Book**
