What is Magick?

Magick is the art and science of manipulating energy to create desired outcomes. It is a powerful force that can be used for good or for evil, and it is important to use it responsibly.

The Four Pillars of Magick

Dark Magick Four Sweep is based on the four pillars of magick: intention, visualization, energy manipulation, and ritual.

- **Intention** is the first and most important step in any magickal working. You must clearly define your goal before you can begin to work

towards it.

- **Visualization** is the process of creating a mental image of your desired outcome. This helps to focus your energy and bring your intention into reality.
- **Energy manipulation** is the art of directing and controlling energy. This can be done through visualization, meditation, or physical movement.
- **Ritual** is a formal ceremony that can be used to amplify your magickal power. Rituals can be performed alone or with others, and they can be used for a variety of purposes.
