This comprehensive guide provides detailed results of every European Volleyball Championship tournament since 1948, including team profiles, player statistics, and fascinating insights into the history of the tournament.

Tournament History

The European Volleyball Championship was first held in 1948 in Rome, Italy, with six teams competing for the title. The tournament has grown in

size over the years, with 24 teams now competing in the finals.

The most successful team in the history of the European Volleyball Championship is Russia, which has won the tournament 13 times. Other successful teams include Italy, which has won the tournament three times, and Poland, which has won the tournament twice.

Tournament Format

The European Volleyball Championship is held in a two-stage format. In the first stage, the teams are divided into four pools of six teams each. The top four teams from each pool advance to the second stage, where they are divided into two pools of four teams each.

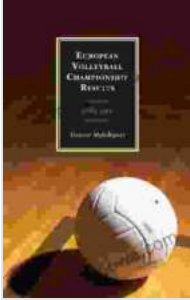

The top two teams from each pool in the second stage advance to the semifinals, where they play in a single-elimination format. The winners of the semifinals advance to the final, where they play for the title of European champion.
