Epcot is a culinary paradise, offering a wide range of dining options from around the world. From quick-service to fine-dining experiences, there's something for every taste and budget. In this article, we'll provide you with everything you need to know about dining at Epcot, including where to find the best food, how to make reservations, and how to save money on your meals.

Where to Find the Best Food at Epcot

Epcot is home to over 100 dining locations, so you're sure to find something to your liking. Here are a few of our favorites:

- **Les Chefs de France** (France Pavilion): This fine-dining restaurant offers a prix fixe menu featuring classic French cuisine. The menu

changes seasonally, but you can always expect to find dishes like escargot, steak frites, and crème brûlée.

- **Via Napoli** (Italy Pavilion): This pizzeria serves up authentic Neapolitan pizzas made with fresh ingredients. The pizzas are cooked in a wood-fired oven, and they're absolutely delicious.
- **Spice Road Table** (Morocco Pavilion): This quick-service restaurant offers a variety of dishes from North Africa and the Middle East. The menu includes dishes like hummus, falafel, and shawarma. We recommend the lamb kafta, which is a seasoned ground lamb skewer served with rice and vegetables.
- **The Garden Grill Restaurant** (The Land Pavilion): This family-friendly restaurant offers a buffet-style meal featuring American cuisine. The highlight of the meal is the character dining experience, where you can meet Mickey Mouse, Pluto, Chip, and Dale. The food is good, but it's the character interaction that makes this restaurant a must-do for families.
- **The Boathouse** (American Adventure Pavilion): This waterfront restaurant offers a variety of seafood dishes, as well as steaks, burgers, and salads. The food is good, but the atmosphere is what makes this restaurant special. The Boathouse is located on the shores of World Showcase Lagoon, and it offers stunning views of the surrounding area.

How to Make Reservations

Reservations are recommended for most of the table-service restaurants at Epcot. You can make reservations online or by calling (407) WDW-DINE. We recommend making reservations as early as possible, especially if

you're visiting during a peak time. You can also use the My Disney Experience app to make reservations and manage your dining plans.

How to Save Money on Your Meals

There are a few ways to save money on your meals at Epcot:

- **Take advantage of the Disney Dining Plan.** The Disney Dining Plan is a prepaid meal plan that can save you money on your meals at Epcot and other Walt Disney World restaurants. There are a variety of plans to choose from, so you can find one that fits your budget and needs.
- **Eat at quick-service restaurants.** Quick-service restaurants are typically less expensive than table-service restaurants. They offer a variety of dishes, including burgers, pizza, and sandwiches. You can also find some great quick-service restaurants in the World Showcase.
- **Share meals.** If you're not a big eater, you can share meals with your friends or family. This is a great way to save money and try a variety of dishes.
- **Bring your own snacks.** You can bring your own snacks into Epcot, so you don't have to buy them from the park. This is a great way to save money, especially if you have a lot of people in your group.

Epcot is a culinary paradise, offering a wide range of dining options from around the world. Whether you're looking for a quick bite or a fine-dining experience, you're sure to find something to your liking. We hope this article has provided you with everything you need to know about dining at Epcot. So what are you waiting for? Start planning your next culinary adventure!
