Rose and Alice were 10 and 12 years old when the hurricane hit. They were living with their parents and two younger siblings in a small house on the west side of Galveston. When the storm surge hit, the house was completely destroyed. The family was swept away by the floodwaters, and Rose and Alice were separated from their parents and siblings.

Rose and Alice clung to a piece of debris for hours, as the floodwaters raged around them. They were eventually rescued by a group of sailors,

who took them to safety. The girls were reunited with their parents and siblings a few days later, and they were all grateful to be alive.

The Galveston Hurricane was one of the deadliest natural disasters in American history. The storm surge was so powerful that it completely destroyed the city, and thousands of people lost their lives. Rose and Alice O'Connor were among the lucky few who survived the storm. Their story of survival is a testament to the strength and resilience of the human spirit.
