How it Works

The Ks2 Maths Daily Practice Book is designed to be used alongside the National Curriculum and your child's classroom instruction. Each day, your child will complete 10 exercises, which take approximately 15 minutes to complete. These exercises are designed to reinforce concepts taught in class and provide additional opportunities for practice.

The book includes a variety of exercise types, including mental math, problem-solving, and investigations. This variety helps to engage your child's different learning styles and ensures that they are developing a well-rounded mathematical understanding.

Benefits for Your Child

- **Improved mathematical fluency:** Regular practice builds speed and accuracy, essential for success in math.
- **Stronger problem-solving skills:** Challenging exercises encourage critical thinking and logical reasoning.
- **Enhanced understanding:** Step-by-step solutions help your child grasp concepts more deeply.
- **Increased confidence:** Success in daily practice boosts your child's self-esteem and motivation.

- **Preparation for future math:** A solid foundation in autumn term concepts sets your child up for success in later years.

Suitable for all Learners

The Ks2 Maths Daily Practice Book Year 5 Autumn Term is suitable for all learners, regardless of their mathematical ability. The progressive difficulty ensures that every child is challenged and supported.

For struggling learners, the book provides additional scaffolding and support. Clear instructions and step-by-step solutions help them overcome challenges and build confidence.

For advanced learners, the book offers more complex exercises and investigations. This allows them to extend their knowledge and develop higher-order thinking skills.

The Perfect Study Companion
