## What's inside our CGP KS2 Maths books?

- **Clear explanations:** Our books are written in a clear and concise style, with easy-to-follow explanations that will help your child understand even the most complex topics.
- **Engaging examples:** We use real-world examples to make maths more relatable and engaging for your child.

- **Practice questions:** There are plenty of practice questions throughout our books, so your child can test their understanding and build their confidence.
- **Answers:** All the answers to the practice questions are included at the back of the book, so your child can check their work and identify any areas where they need extra help.

### **Which CGP KS2 Maths books are right for my child?**
