Student's Testimonial

Malaysia is a nice country. There is a variety of delicious food in Malaysia. Global Academic has teachers and students of different nationalities. We shared our own cultures with each other. The teachers here are very nice and kind. I used to learn American English in Korea and I got a chance to learn British English here. I met many new friends here because Malaysians are friendly and easy to be friends.

There is a great difference between Korea and Malaysia, and I have new experience here. I am very happy to meet the teachers here because they are nice and friendly. I could still remember my first time to make some international friends. I was worried and nervous, but they are very kind and concerned. I want to thank my teachers in Global Academic because my English has improved a lot. I will miss them.
