# Key Stage Two Maths

Year **4** Foundation

Targeted Question Book

Ages  
**8-9**

## Build Confidence through Practice

Practice makes perfect, and this book provides ample opportunities for your child to reinforce their understanding of key maths concepts. Each exercise is carefully crafted to provide a progressive level of challenge, boosting your child's confidence as they tackle more complex problems.

## **Comprehensive Coverage for Year Foundation**

Our Targeted Question Book covers a wide range of topics essential for Year Foundation students, including:

- Number and place value
- Addition and subtraction
- Multiplication and division
- Measurement
- Geometry
- Statistics

With this comprehensive coverage, your child will be well-prepared for their Year Foundation assessments and beyond.

## **Expertly Crafted by Educators**

Our team of experienced educators has meticulously developed this book to align with the latest KS2 curriculum and learning objectives. Every exercise has been carefully reviewed to ensure its accuracy and relevance.

## **Accessible and Engaging Format**

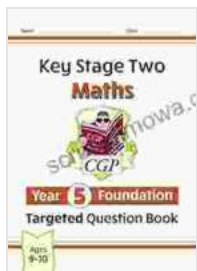

We believe learning should be enjoyable and accessible to all students. Our Targeted Question Book features clear instructions, engaging visuals, and a user-friendly layout that makes it easy for your child to navigate.

**Elevate Your Child's Maths Journey Today!**
